

Out To-day!

The Most Wonderfully Comprehensive and Altogether Valuable Year Book of Useful Information Ever Sold Over a Newsstand or Sent Through the Mail!

1916 World Almanac!

1,000 CROWDED PAGES! 25,000 FACTS and FIGURES!
EDITION 210,000!

All other ready reference books printed in the United States are but "pocket editions" as compared with the great volume of information presented in this truly remarkable compendium that, year by year, has earned the reputation of being "the book that made itself famous." Its breadth of scope is unparalleled in any other publication. Its accuracy is famously dependable. It is a marvel of compactness and detail.

Special attention is called to the completeness and therefore usefulness of the index of The World Almanac and Encyclopedia for 1916, in which over 1,000 subjects are separately listed. This makes it possible for one to turn to the specific information they seek at a moment's notice.

Surely this is the very book you should at all times keep within your easy reach.

COMPARE this remarkable book with any other publication of its kind and see how it completely outclasses all competition as a volume to which the student, business man, teacher, public speaker, sportsman, statistician, minister, politician, etc., may turn and find, handily indexed for ready reference, just what he wants to know about all such subjects as populations, armies, areas, navies, measures, weights, emigration, immigration, wars, the tariff, suffrage, fraternal organizations, etc., etc., etc., etc.
